

# Jubileumssång: "La det swinge ICES<sup>1</sup> - nätverk bygger kompetens"! - i samband med ICES 10-års jubileum; lyrics by Martin Törngren, for song, see [1].

(I) **Prelude – The *concept*<sup>2</sup>, training and a short musical intro!**

(II) **ARTES main portion**

**Verse 1:** Once upon a time – 2008 – in spring time

We realized a coming shift – a new paradigm ([2-4])!

Connectivity, software, and yet - fragmentation

We saw a need for multidisciplinary integration!!!

**Chorus 1:** La det swinge la det rock'n roll, Inbyggda—utbyggda—system med kontroll

(English translation: embedded connected systems with control)

Jubile-ums – konferens, nätverk bygger kompetens!

(English translation: anniversary conference, networks grow competence)

- Short musical intermezzo

**Verse 2:** In the era of intelligent devices,

Competence provision is supported by ICES,

Students, faculty and industry become connected<sup>3</sup>,

And good ideas are collected and effected!

**Chorus 2:** La det swinge la det mången boll!

All join in!!

(English translation: Let it swing – go for a network role)

Vi jobbar-för-utbyggda-system med kontroll

(English translation: We work towards CPS with control)

Komplexa fenomen, vi bygger eco-system ([2]), La det swinge la det nätverks-roll!

(English translation: Complexity – we grow eco-systems, Let it swing – go for a network role)

- Short musical intermezzo

**Stick:** I framtiden väntar än mer av en teknisk revolution,

(English translation: Now that we embark on a technical revolution)

ICES står då redo för fortsatt evolution – – innovation!!!

(English translation: ICES is prepared for future evolution)

<sup>1</sup> ICES skulle kunna stå för flera saker, inklusive "Intelligent Cyber-physical and Embedded Systems", samt "Inspirational Center for Extraordinary Systems". Vår ursprungliga förkortning är ICES "Innovative Center for Embedded Systems" – där "innovative" avser vår ambition av vara innovativa i hur centrumet bedrivs!

<sup>2</sup> ARTES (Advanced Real-Time Entertainment Sessions) and with a song based on "La det Swinge, la det rockn roll", [1]

<sup>3</sup> These are ICES primary stakeholder's, [2]

### **Chorus 3: - first a capella - all join in!**

La det swinge la det mången boll, Vi jobbar-för-utbyggda-system med kontroll  
Komplexa fenomen, vi bygger eco-system<sup>4</sup>, La det swinge la det nätverks-roll!

#### Full swing and accompaniment – all join in:

La det swinge la det rock'n roll, Inbygga - utbyggda system med kontroll,

Jubile-ums - konferens, nätverk bygger kompetens!

La det swinge la det många boll; Vi jobbar för utbyggda system med kontroll

Komplexa fenomen, vi bygger eco-system, La det swinge la det nätverks-roll!

IC-ES - jubilaren – vi firar hela dagen – här kommer fanfaren – nätverk bygger kompetens!

-----

### **(III) Epilogue**

La det Swinge – ICES!!!

ICES i tiden – *Honor the past, Enable the present, and Innovate the future!*

**Ett fyrfaldigt leve för ICES och alla som engagerar sig i nätverket!!!**
